Lisa Carr competes at eastern sectionals

On Thursday, November 17, Lisa Carr, of the Minden Figure Skating Club, competed at the Eastern Ontario Sectionals held in Minto, Ontario. This annual competition is held each year to decide what skaters will compete at the Canadian Championships in February.

Lisa competed in the Novice Ladies event, which, due to the number of competitors, required a run-off event in both figures and freeskate. Lisa placed fourth in both the figure and freeskate run-off for a fourth place finish overall.

The top six from each run-off move on to the finals and again compete in figures and freeskate. Skaters who are successful enough to advance to the finals have a very hectic schedule which involves competing in either figures (which takes three hours) or free-

Survey shows housing needs

At least 30 new units of rental-assisted housing are needed in the Highlands, a survey conducted by the Haliburton County Social Action Committee has determined.

Questionnaires were sent out to 5,000 households in the county in August to determine if there is a need for assisted

housing here. The response proves there is indeed a need for a housing project of 30 or more units.

Task force chairman Jude King told county council at a recent meeting that 157 of these questionnaires were completed and returned to the committee.

Quake rattles, no local damage

Dishes rattled, curtains swayed eerily, hydro lines swung back and forth even though there was no breeze and dogs howled or paced nervously early Friday evening, as residents of the Minden area felt the effects of an earthquake centered in eastern Quebec.

For many people, the slight tremors, which lasted for about 10 seconds, went virtually unnoticed, or were attributed to something other than the ground moving under their feet. One of the more common initial interpretations of the passing shock waves was a feeling of wooziness or a sensation similar to that preceding a faint.

As quickly as it came, the sensation passed and it wasn't until reports verified the existence of a major underground disturbance in northeastern North America surfaced that individuals were able to confirm they had experienced a rare occurrence for this part of the world.

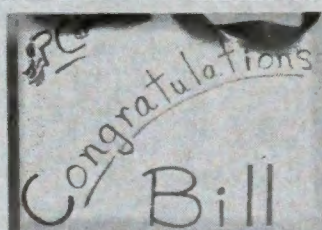

No damage was reported locally as a result of the tremors.

Voters return Scott for eighth term

There was never any doubt in Bill Scott's mind that the voters in Victoria-Haliburton would make him the area's Member of Parliament for another term.

After winning this riding for the eighth consecutive time, the Progressive Conservative MP said he could sense another victory while he was on the campaign trail. While out shaking hands, and chatting with voters he felt the support that has kept him in Ottawa for the past 23 years.

Although he won another clear victory, his lead over Liberal Candidate Bruce Glass was pared considerably. Scott edged Glass by a margin of

Although the race was much closer than in 1984, Scott and his supporters were confident of a win. This sign was hung on the wall at his campaign headquarters even before the counting was done.

5,578 votes in this election, compared to the 22,000-vote margin in the 1984 election.

Scott picked up a total of 22,393 votes to Glass' 16,815. New Democratic Party Candidate Cathy Vainio placed third with 8,237 votes. Libertarian candidate Sally Hayes received 265 votes. Commonwealth of Canada candidate Archie Dobbins received 113 votes and Social Credit candidate

Peter Rea garnered 168 votes.

For Glass, last Monday's results are encouraging enough that he has already promised to be around for the next election. At the outset of his campaign he said he was shooting to cut down on Scott's margin of victory. However, as the campaign wound down there was a sense that an upset could be possible.

Glass campaigned hard

against free trade and in favour of improvements to the Trent-Severn Waterway. He attended almost every candidates' forum held across the riding, along with New Democrat Cathy Vainio, who also ran an aggressive campaign. His goal was to make himself better known to the voters and increase his chances for a win in the next election.

Scott, on the other hand, avoided being in the same

place as any of the other candidates for most of this campaign. However, he says his campaign was not low profile. It was just that his schedule was "booked up" from day one," said Scott. He did take part in a radio debate and a forum in Lindsay, he said.

One area where Glass appeared to be gaining ground during the campaign was on the issue of water levels in Haliburton

area lakes. In turn, Scott's campaign brought in former environment minister Tom McMillan who promised that action, possibly in the form of a study, would be taken. McMillan, however, was not re-elected.

Scott did promise, though, that he will continue to push for action on this problem. The population of Haliburton County is rising, he said, which makes the situation of fluctuating water levels more acute. This has to be given consideration, said Scott. The legislation governing this waterway has to be changed. He said he fully supports the idea of increasing the reservoir capacity of the system.

Tim and Brenda Carroll of Beardmore enjoyed a visit with parents and friends.

The Anglican Church ladies had a very successful Luncheon Bazaar Saturday, November 19th and winner of the Christmas Food Basket was Estella Burch and the door prize of a Christmas cake was won by Audrey Northey.

All the speeches are over and, hopefully, all made their mark. One item I wondered about, was that the Advanced Polls were at Haliburton village and

Lindsay and with that how many people leaving for the south, might lose their vote. We also noted that some people misplaced their card and thus did not know their poll number.

Sincere sympathy goes to the families and friends of the late May Roberts and Thomas Stinson whose funerals were since last week.

Maud Coulter, and Mr. and Mrs. Cliff Barry were in Peterborough one day last week.

Trevor and Allan Clement of Scarborough

have been visiting with Pearl and Arnold and Harold Cowen.

We hear that Leah Anderson is home from hospital land hope all is well with her. Also Lil Porter was at Lindsay for eye surgery last week. Good wishes to these people and also to Alice Rivers, Joe Dollo, Bernice Shaw and to Betty Toy of South Lake.

Colin Hewitt from Fort Francis and Lee Austen of Red Lake were down for the deer hunt and visited with their folks.

Some of our stores had special shopping day with discounts but I didn't get to these, as I had a meeting both afternoon and evening. Hope you took advantage of these.

At the Tuesday Luncheon Euchres at the Legion last week, November 22nd, winners were - door prize - Norah Briggs, lone hands -

Iris Taylor, and others - Hilda Harrison, Verna McDonald and Lorna Bridgman. For reservations for the next games on December 6 call 286-2733 or 286-2872.

St. Paul's Anglican Church card party winners on Thursday included for most lone hands - May Spence, high lady - Eleanor Pye and low lady - Florence Schlosser, high man - Shirley Elcome and low man Jack Chilton.

More card party winners - this time from Club 35 and they were for 50-50 - Bill Cowen, most lone hands - Bob Lewis, high lady - Helen Windsor, high man - Clarence Bunker and others - Doreen Lewis, Olive(r) Jones and Marian

Irwin.

There were euchre games at Gelert Centre Tuesday evening, November 22 with winners being - lone hands - Annie Schrader and others - Isabel Saunders, Ruth Kellett, Bob Vick and Norma Hamilton with the next games there December 6th.

The stores in town once again have become more inviting with lights and decorations and winners weekly and a big prize just before Christmas. Hope your shopping is coming along well and you get all your last-minute articles before the 23rd.

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down forward, backward and dia-

gonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Scott wins again

Both Liberal candidate Bruce Glass and Progressive Bill Scott were claiming a sort of victory when the votes were counted in Lindsay last Monday night. For Scott, the victory means another term as Victoria-Haliburton's Member of Parliament. For Glass it was victory enough to run a close second and gain some footing for the next time around. Glass, left, visited the Conservative's election celebration at the Olympia Restaurant when it became apparent that Scott would win this riding for an eighth time. Scott, centre, thanked all his campaign workers for their support in this election and commended his opponents for running a clean campaign.

Healing wounds

The voters of the country have spoken and selected, among other things, to endorse the free trade agreement as negotiated by the Conservative Government of Brian Mulroney. The die has been cast, and we believe that most of those who opposed the treaty are willing to stand aside and allow the duly elected government to proceed with its plans.

However, before the government plunges formally into this undertaking, we would hope the Prime Minister would recognize that even though he won a mandate, the majority of Canadians indicated they were less than comfortable with the proposal.

Major efforts to heal the divisions created by the campaign debates and to ensure the government takes steps to ameliorate the negative impacts of the agreement, must be taken.

It should be noted, Canada is entering a new era in its nationhood. Despite suggestions to the contrary, once the process is begun, there will be no turning back.

It would be best if we marched ahead together, rather than having a few drag a reluctant many behind.

Efforts erased

Aside from free trade, the main issue in the federal election campaign in this riding was that of the drainage of Haliburton County lakes to feed the Trent-Severn Waterway.

The fact that Bill Scott was able to finally bring this important matter to the attention of the federal environment minister during the election campaign was undoubtedly an important factor in determining the level of support he would receive from the voters in this part of the riding.

Unfortunately for the residents of this tiny corner of the country, environment minister Tom McMillan was defeated in his own riding. This loss erases the small amount of attention this problem has been given by the government.

The people of this riding chose to send Scott back to Ottawa to represent us for another term. Let's hope it doesn't take another four years and an election campaign for the needs of the people in this riding to be noticed.

Scott has promised his support on the water levels issue. Let's take every opportunity to remind him of that promise over the next few years.

Living on borrowed land

Whoever sells land sells his mother.

Mexican proverb

So the Lubicon Indians won their land claim battle. The Alberta government, to its credit, has acknowledged that the natives have been shafted shabbily for more than forty years. Under the terms of the agreement that the Lubicon Indians shall have their land and the rights to everything on and under it. Negotiators have finessed an honourable settlement out of a situation that had all the markings of a violent confrontation and that's a good thing, but there's a certain sense of silliness that pervades the whole situation.

Who owns the land? Nobody does when you get right down to it. Of all the misguided notions we beguile ourselves with, surely one of the most foolish is

by Arthur Black

'land ownership'.

We speak of owning a downtown property or a cottage lot or a few acres in the country, but it's a myth. You can't "own" land. If you think you own some real estate, try not paying taxes on it for a couple of years. Your friendly local government will soon straighten you out.

And if they don't get you, the Feds sure will. But it goes deeper than that. The whole concept of

owning land is a white man's pipe dream. It's about as sensible as trying to own sunshine or licence air. I think that's why the North American tribes gave in so easily and signed so many disastrously one-sided treaties when government agents and lawyers for land barons first approached them, waving pieces of paper. It was inconceivable to the original people that any race of people, however deranged, would try to kill all the buffalo, chop down all the trees, put up fences and post No Admittance signs.

Not that things have changed all that much for a lot of the world's native people. There was a particularly sad photograph in my newspaper the other day showing yet another Lubicon-style con-

Kerrio responds to parks concerns

Editor:

Over the last few months I have received numerous letters from residents of

this area, about the Madawaska Highlands Regional Trust proposal put forth by the Canadian

Parks and Wilderness Society.

I would like to assure your readers that hunting,

fishing, trapping, logging and other traditional pursuits, will continue on Crown Lands in this area,

in an environmentally sound manner.

I have encouraged the Canadian Parks and Wilderness Society to pursue their concerns through my ministry's present management system, rather than a Regional Trust. Our system provides all members of the public with numerous opportunities to voice support, concerns or suggest alternatives in the management of natural resources.

In many of the letters, I noted some confusion between the Madawaska Highlands proposal and my ministry's new policy for provincial parks. The society's proposal is not linked in any way to the new policy. Our policy

states that trapping will be phased out of our parks and the question of hunting in many of our parks will be determined through the development of plans on an individual park by park basis.

Balancing the diverse use of our great natural resources is a big challenge. With the continued interest of your readers, I know we will succeed.

If your readers have any questions about how we manage the natural resources in this area, I encourage them to contact my staff in our District Offices in Tweed, Carlton Place, Pembroke or Bancroft.

Vincent G. Kerrio,
Minister.

Dorset Acid Rain report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

The following report is for the week of November 13 - 19.

November 13 - 4.4 pH, 13 mm rain, from West Virginia, Ohio, Pennsylvania, New York and eastern Ontario.

November 14 - 4.6 pH, 1 mm rain, from Indiana, Michigan and Lake

Huron.

November 16 - 4.1 pH, 1 mm mixed rain and snow, from Kentucky, Ohio and southern Ontario.

November 17 - 4.8 pH, 4 cm snow, from Wisconsin, Michigan and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Reading of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

frontation, only this one was taking place on the outskirts of the city of Belem, in Brazil.

On one side stood a khaki wall of Brazilian soldiers armed with rifles. Facing them, bare chested, barefooted and gunless, stood hundreds of bewildered looking Kiapo Indians. They had gathered in Belem to protest the trial of two tribe members. The two Indians had gone abroad to get publicity in their fight against government dams which, if built, will flood millions of acres of tribal land.

The Brazilian government charged the two men with libel.

The confrontation with the soldiers emanated from yet another sensitive and compassionate move on the part of the government - the trial judge refused to let one of the accused take the stand in native garb, ordering him to dress in pants and a shirt.

But it ill behooves a Canadian to cluck his tongue and speak disparagingly of the Brazilian government. Over the past few years we've flooded millions of acres of Cree ancestral land - hunting areas, graves, encampments, sacred spots - in order to build the James Bay Hydro project. Nobody asked the Cree if they thought that would be alright.

Oh well. At least we didn't force them to dress up. Maybe the most eloquent statement on the

subject came from the lips of a Crowfoot Indian chief, in a speech made more than a hundred years ago. He was trying to explain why his tribe was not interested in making a deal for a tract of land. "Our land is more valuable than your money" he said. "It will last forever. It will not perish as long as the sun shines and the water flows, through all the years it will give life to men and beasts. It was put there by the Great Spirit and we cannot sell it because it does not belong to us."

Not bad, but I think perhaps it was a white Canadian who said it even better. Elmer MacKay, MP for Central Nova, once said; "Land is not something you inherit from your parents. It is something you borrow from your children."

Endurance is the key to two come-back wins

Endurance was the secret to two of the wins in Minden Mens' Recreational Hockey play last Monday night as late scoring sprees turned over the early leads.

Halls Insurance scored seven times in the final period of game one last Monday to steal an 11 - 7 win away from Vasey Real Estate.

Home Hardware played the same trick against The Times in the final game of the night, scoring seven goals in the final frame to take the 10 - 7 win.

The second game of the night saw the Rockcliffe hold onto their flawless record with a handy 11 - 5 win over Hartwick Construction.

Halls 11, Vasey 7

A 5 - 4 lead after two periods of play just wasn't enough to carry Vasey through a devastating third period. Halls came on strong, scoring seven goals to Vasey's two in the third period to earn their third win of the season and maintain their share of second place in the standings.

Brian Shaw and Dave Hartwick caused most of the trouble for Vasey goaltender Terry Crowe. Shaw

and Hartwick scored four times each for Halls, while Larry Sawyer scored two and Murray Bettlestone scored one.

Tom Eager and Ivan Ingram were the top scorers for the losing team with two goals each. Harold Cowen, John Fratpamdino, and Marshal Robinson scored one each for Vasey.

Rockcliffe 11, Hartwick 5

The Rockcliffe's easy win over Hartwick in the second game of the night makes them the clear leader in this league.

Until Monday, Hart-

wick was the only team that the Rockcliffe had not conquered and that was only because the two teams had not yet met.

Scott Hamilton was the top marksman for the Rockcliffe, scoring five of the 11 goals. Norman Barry added three to the count. Scott Gartshore, Jim Crawford and Barry Boice each scored one.

Hartwick's goals were scored by Doug Rae, Rick Lowes, Bern Berry, John Fedeski and Carl Northey, each with one.

Home 10, Times 7

It was 3 - 1 for The Times

after the first period. After two it was 6 - 3.

The third period, though, was all Home Hardware's. Home came back with seven goals to The Times' one in the final frame to earn the 10 - 7 win.

Gary Nelson led the scoring with a hat-trick for Home, Kim Colliss, and Mark Switalski each scored two goals. Singles go to Barry Ward, Dave

Rogers and Cory Walker.

Irwin Asbell and Dave Pettes each scored twice for The Times. Craig Crowe, John Ballantyne and Greg Newell scored one each.

The sixth week of the mens' hockey schedule will be played out tonight. The Times and Vasey play at 7 p.m., Hartwick and Halls face off at 8:30 p.m. and the Rockcliffe and Home play at 10 p.m.

THE NEW MOTOR VEHICLE REPAIR ACT

Better Protection for Ontario Car Owners!

WE PROVIDE ESTIMATES
AND WARRANTIES ON ALL
PARTS AND LABOUR.
Management

Ontario car owners will be better protected through the new Motor Vehicle Repair Act.

Included in the new act are the following provisions:

- Repairers must provide a written estimate on request;
- Customers must be advised, in advance, if there is a fee for an estimate and the amount of the fee;
- The actual repair cost cannot exceed 10 per cent of the written estimate without authorization;
- The repairer must offer return of removed parts to the consumer when the work is authorized;
- A warranty must be provided on new or reconditioned parts and associated labour for a minimum of 90 days or 5,000 kilometres. For motorcycles and motor-assisted bicycles, the warranty period is 30 days or 1,500 kilometres.

- Conspicuous signs must be posted stating repair rates and the methods used to calculate the charges.
- A detailed invoice must be provided to the customer describing the vehicle, work performed, parts installed and their price, number of hours billed, and terms of the warranty.

If the vehicle becomes inoperable or unsafe due to defective repairs while under warranty, the customer must return the vehicle to the original repairer unless it is unreasonable to do so. If it is necessary to have the vehicle repaired by another repairer, the consumer may recover the original cost of the work and reasonable towing charges from the original repairer.

All car repairers must display a sign directing consumer complaints to the nearest regional

office of the Ministry of Consumer and Commercial Relations.

Students promote Highlands

Deputy Education Minister Bernard Shapiro had his office brightened with the colourful artwork of students from Archie Stouffer Elementary School for four months this past summer. Among the artwork was a quilt in the shape of Haliburton County. Each township is represented with a picture that typifies one of the activities in that part of the county. A special message about the students' dissatisfaction with portable classrooms was subtly delivered to the minister through one of the pictures. In the square which represents Minden township is a picture of a portable classroom complete with the "barn fan" on the end. The artwork and quilt are now back in the Highlands and are presently on display at the Agnes Jamieson Gallery in Minden. The students who were involved in this project are now in Grade six and they all gathered at the Gallery last Thursday to view their handiwork. Mary Wallace was responsible for the quilting in this beautiful wall hanging.

I would like to thank my campaign workers and citizens of Victoria - Haliburton for their support.

Minden OPP notes

During the week of November 14 to 20, officers of the Minden OPP detachment investigated 69 general occurrences and 18 traffic accidents with four persons injured.

Injury accident

A single-vehicle accident on Highway 503 west of Tory Hill at 5:45 p.m. on November 17 resulted in two persons injured with one being taken to hospital. Joyce Barras of Wilberforce was east-bound on Highway 503 when her vision was obstructed by a westbound vehicle throwing up slush. She lost control colliding with a rock cut.

OPP Constable Brian Sachs investigated.

Thefts around the county

Snowdon Township shed - tools including ratchet set, three socket sets, pipe wrench, wrenches, 20" adjustable spanner, four chainsaws - one John Deere black and yellow, one Stihl 30" bar red and grey, two Homelite red with one 14" bar, one with 16" bar.

Clement Lake - Honda portable generator red, Bench mark chainsaw red 16" bar.

Moncks Road Gooderham - 1987 Honda 4x4 ATV red with black carry racks, 350 cc.

Driving tip of the week

Section 151 of the Highway Traffic Act provides for the safety of school children while

entering and exiting a school bus, by putting a duty on all drivers to stop under certain circumstances.

These are when:

- on a highway (which includes road, street and avenue.)
- the bus is stopped.
- the bus has its red signal lights flashing front and back.

Drivers meeting and overtaking a bus under these circumstances must stop and shall not proceed until the school bus moves or the signal lights have stopped flashing. The fine for passing a school bus while lights flashing is \$128.75.

During the week of November 6-12, Minden

OPP officers investigated 87 general occurrences and 11 traffic accidents. One of the accidents resulted in fatal injuries to the driver.

Fatal accident

At about 4.40 p.m. on Friday November 11, a vehicle travelling east on Highway 118 west of Carnarvon left the roadway, struck a rock cut and rolled over. The driver, Daniel Sanderson, age 25 of Peterborough was killed. The passengers in the vehicle were all injured. His wife, Gloria is in Toronto Western Hospital with serious injuries. Their daughters Kaitlyn, age 19 months and Bethany age one

Redmen bring home Central Ontario crown

For the first time in the history of the school, the junior football team at Haliburton Highlands Secondary School has won a Central Ontario championship. The win, November 16, capped a season which saw the team go undefeated through the regular season and three play-off games. The Redmen defeated Central Hastings 21-6 in Madoc to claim the championship.

Coach Gary Brohman was extremely pleased with the team's showing this year. He credited the high skill level of the players, the enthusiasm of the players and coaching staff, and "a little bit of luck ... you can always use a little bit of luck," for the successful

season.

As the juniors advanced in the play-offs, the coaching staff took increasing pride in the accomplishment of their players. Coach Brohman noted that not only did the juniors win the Central Ontario title, but they did so against a school that was more than twice as big as HHSS. The student population of Central Hastings is 1200 compared to just over 500 at the local high school.

Going into the final game against Central Hastings, the coaching staff was a little apprehensive about the outcome. Coaches Brohman and Tim Davies had watched

the week earlier as Central Hastings blanked Napanee in a runaway play-off game. However, the coaches were able to pick up some pointers by watching the play-off and obviously prepared their team well.

Noting that it was a team effort, Coach Brohman had special praise for a number of his players. Included among the key players mentioned by the coach were tailback and outside linebacker Brian Walker, fullback Darren Danylyshen, safety and flanker Craig Bain, quarterback Shaun Perrin, flanker and safety Hunter Obee, offensive end Mike Hughes, defensive end Jason Morissette.

Speculating about next

year's senior team, when many members of this season's championship junior squad will move up, Coach Brohman said the senior squad will have a good base to build on. The players will bring their skills and enthusiasm with them, both tested this past year at the junior level. Whether the luck will follow is another matter.

But next season is still months away. For now, the coaching staff, players and support crew can bask in the honour and glory they have earned for Haliburton Highlands Secondary School, home of the Central Ontario Junior Football Championships.

THANK YOU

(from page 9)

month are in Sick Children's Hospital and Civic Hospital with less serious injury.

Constable Mike Legge is continuing his investigation.

Snow vehicle stolen

On November 12 a report was received of a snow vehicle being stolen from the yard at Prentice-Berry Limited on Highway 35. A vehicle was stopped a short time later travelling

south on Highway 35 and the stolen snow vehicle was recovered. Charged with theft over \$1000 and Possession of Stolen Property are John Britton, age 23, and Kent Dunkeld, age 21, both of Stouffville and a young offender who cannot be identified.

Lost hunter

Paul Bird, age 50, of Toronto was hunting in the Kennis Lake area on November 11 when he became separated from his partner. After approx-

imately four hours he made his own way out of the bush to the roadway where he was located.

Injured hunter

On November 9 a hunter in the Denna Lake area injured himself with a .308 rifle. Luc Ringvette, age 22, from New Brunswick, rested the barrel of his rifle on his boot and then accidentally discharged the gun severing the large toe from his right foot. He was treated at Minden hospital and then transferred to St.

Josephs Hospital in Peterborough.

Break-in cleared

Two men are charged with Break, Enter and Theft following an incident on the Denna Lake Road in Lutterworth Township. A house trailer was entered and a quantity of articles were stolen. Later located and charged with the offence were Gerald Whitlock, age 21, of Lutterworth Township and Richard Cripps, age 18, of Barrie.

THANK YOU

I would like to thank all the Snowdon ratepayers who have supported me over the past twenty-four years.

Wishing you a Merry Christmas and a Healthy New Year.

At least 30 housing units needed here

(from page 1)

Of these, 49 were eligible for assisted housing, which means they are presently in inadequate housing or are paying more than 25 per cent of their low or moderate income in rent and related costs. Many of the respondents were in very difficult situations.

Although there were only 157 questionnaires returned out of the 5,000 mailed, the committee and the consultants are pleased

with this response. Most of the responses came from those considered to be in the "neediest" group. Of the 49 returns, 27 were from people with incomes from social assistance or minimum-wage earners.

Another nine of the respondents demonstrated a "shallow subsidy need, while three need housing and can afford to pay market rent."

The study, which is being funded in part with a \$12,500 grant from the

county, is concentrating on four target groups; families on limited incomes, youths, emergency and crisis shelter, and singles.

Anson, Hindon and Minden Deputy Reeve Bern Berry asked why seniors were not being included in the target groups. He said seniors constitute a large part of the area's population and he would like them included.

George Davidson, director of the county's social

services department, responded to this question. He said the committee was aware that housing needs for seniors is already being addressed by other organizations and the construction of the Staunworth Terrace seniors complex in Minden is an example of that.

Davidson said the Social Action Committee has chosen to work toward creating housing for other groups that are not being

recognized under the seniors housing projects. The information collected under the committee's study will be available to other organizations, he added.

Gibson and Associates is the firm hired to carry out the study. In their summary it is said that those in need are mainly families and single persons, not senior citizens. Most of those in need are in the "neediest category and are having great problems finding

housing in the marketplace."

A confidential waiting list is being maintained by the consultants and there are still some questionnaires still arriving in the mail.

"The results of the survey constitute one key chapter, now drafted, of the Municipal Housing Statement," the report says. "Research for the remainder of the study is progressing and is expected to be completed in the new year."

It's time to do something constructive about affordable housing.

There is only one way to create affordable housing in this province—through constructive action.

The Ministry of Housing is taking constructive action through various programs, including our latest initiative, HOMES NOW.

This is the largest single non-profit housing initiative undertaken by the province.

HOMES NOW will provide the resources for non-profit corporations and cooperatives to develop appropriate housing for their communities.

This housing will be created through new construction, and through the purchase or lease of existing buildings.

For local organizations, including churches, service clubs and other associations who wish to form non-profit corporations, HOMES NOW provides grants for incorporation, and loans to help finance housing proposals.

Community action, in concert with the Ministry of Housing, will help meet the housing needs of Ontarians. Today and tomorrow.

All we need now is the involvement of your group.

Bantams win two, tie one

The Minden Bantam Monarchs continued to show winning form in recent play as they gathered two more wins and a tie.

Little Britain proved to be an equal foe as they battled to a 5-5 tie in Minden on November 12.

Minden had an easier go with Fenelon Falls, though, downing them 3-1 at home and 12-5 in Fenelon Falls.

Against Little Britain, it was Jaime Dollo who was responsible for the bulk of the scoring. Dollo notched four of the five goals in this

tight match while Rob Ackerblade scored once. Ackerblade also assisted on three of Dollo's goals. Darren Sawyer picked up two assists as well.

When the Fenelon Falls club came to town they were downed 3-1 with Ackerblade scoring twice.

Dollo scored the third goal and picked up an assist while Sawyer assisted once.

Fenelon hoped to return the favour on November 18 when Minden came to visit, but the Minden boys were not about to let them have their way.

Dollo again led the high scoring Minden team with four goals and two assists. Philip Boyle took part in the score-fest with a hat-trick and an assist. Ackerblade notched two goals and three assists while Oliver Greer scored once and assisted once.

Sawyer scored one goal, Jason Klett assisted twice and Hunter Obee and Kevin Buchanan each picked up an assist.

Aaron Hie manned the Minden net for all three of these games.

The Ground Source Heat Pump—State-of-the-Art Home Comfort Technology.

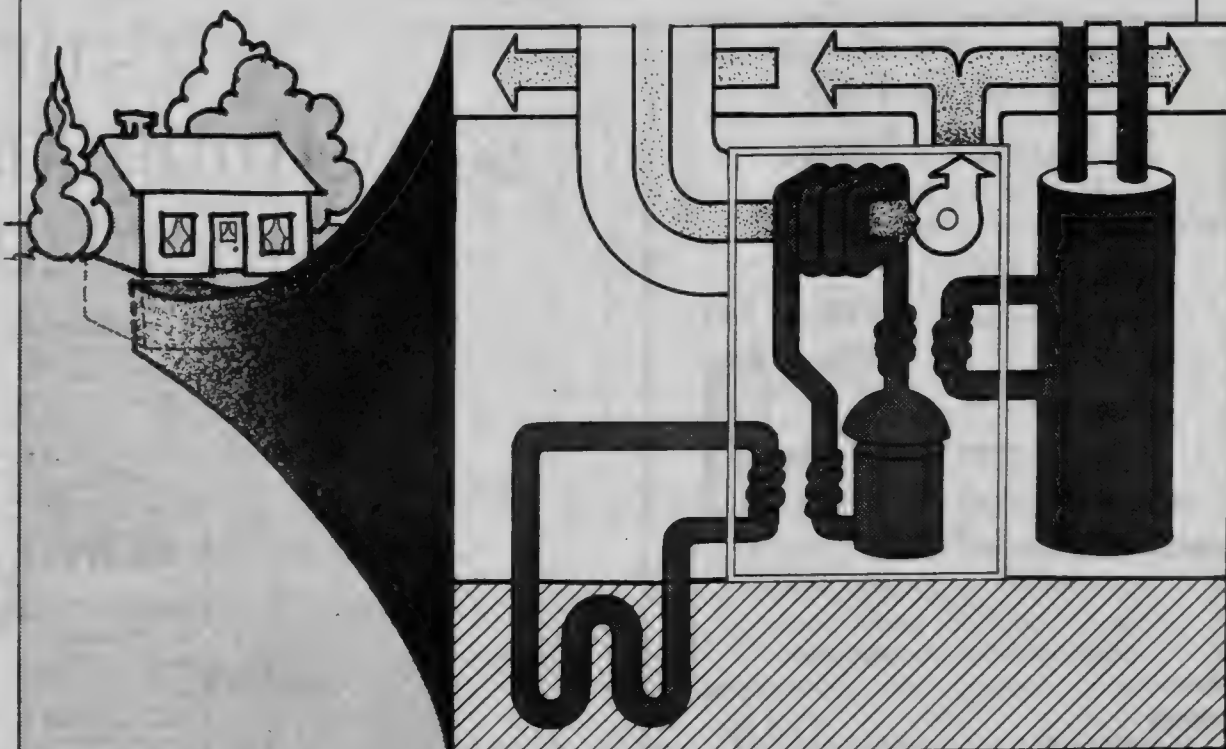

It heats in winter, cools and dehumidifies in summer, and provides you and your family with plenty of hot water. The Ground Source Heat Pump (GSHP) is the most efficient, economical home heating and cooling system available and ensures maximum year-round comfort.

In the winter the GSHP draws heat from the ground or outside water supply through a network of plastic pipes, and circulates it throughout your home. During the summer it reverses itself and extracts heat and moisture from your home, leaving you cool and comfortable. The extracted heat is used for water heating, so you get free hot water all summer.

This technology can reduce your energy usage up to 65%. For every dollar of energy required to run it, the GSHP produces three dollars worth of energy. That's unbeatable value.

Muli rink wins opening 'spiel

The season is already well underway at the Minden Curling Club and the first two successful bonspiels of the season are now history.

On November 19 the ladies were warming up the ice during the annual "Shovel into Winter" spiel. Ethel Muli's rink won both of its games with convincing scores to earn enough points for first place. Curling on Muli's rink were Penny Obee, Lisa Kerr and Toos Reid.

Taking second place in the bonspiel was the rink of Nancy Garbutt, Dianne Garbutt, Corinne Howell and Corinne Arsenault. Laurie-Ann Welch's rink finished this spiel in third place. On her team were Anita Beaver, Donna Dillon and Joan Duhaime. In fourth place was the team of Jean Jackson, Catherine Kellett, Fay Brown and Mary Jane Irwin.

The annual Businessmen's fun bonspiel was held on Sunday and results will appear in next week's paper.

Other bonspiels to look forward to this season include:

- The Southern Ontario Ladies Curling Association zone playdowns on January 6 and 7;
- The Ontario Curling Association men's Tankard zone playdowns on January 6, 7 and 8;
- The Minden Winter Carnival mixed bonspiel on January 27, 28 and 29;
- The Rockbuster Men's bonspiel on February 17, 18 and 19;
- The Straw and Stone mixed bonspiel on March 10 and 11;
- and finally, the Sweep into Spring Ladies Bonspiel on April 11.

Winners of the Shovel into Winter Ladies' Bonspiel were, from the left, Lisa Kerr, Penny Obee, Toos Reid and skip, Ethel Muli.

THANK YOU

I wish to thank the former council members from Anson, Hindon and Minden for their support and encouragement over the last three years. I learned a great deal and your help made my job so much easier. A special thank you to the Anson, Hindon and Minden municipal staff, without whom, we could not have functioned properly and to the volunteer committees for their support. Thank you too, to The Times for their co-operation.

Congratulations to the new council members - my best wishes and good luck for the future.

One liners pepper Little Theatre's fall production

Like a day in the life of Archie Bunker and family

It was like peeking in on the Archie Bunker, All in the Family, household last week as the Highlands Little Theatre presented their fall production, Sumner Arthur Long's 'Never Too Late'.

There on the stage was the loud, brash, but loveable father, his somewhat off-the-wall wife, the "ding-bat" son-in-law and his flighty wife. The household is thrown into more turmoil than usual by the announcement from Edith, the mother of the house, played by Eleanor Cooper, that even though her only daughter is grown and married, she was about to have another baby. Her husband Harry, played by Don Lethbridge, at first finds the information too shocking to absorb, and then discovers his manhood has become the talk of the town and the subject of a few gentle jokes.

Their daughter Kate, played by Shelley van Nood, and son-in-law, played by Glen Carter, help to keep the turmoil boiling as Edith emerges from her meek, cocoon-like existence as a result of her new-found youth.

A friend of Edith's, played by Elaine Schmid, helps to engineer the change in outlook as she encourages the mother-to-be to express herself and discover the personality so long hidden by the demands of her husband, family and home.

The play is peppered with one-liners that support a rather thin plot line leading to a predictable outcome.

Other characters who float in and out of the household, to help keep the pot stirred, included Charlie Smith as the doctor and friend who delivers the "good news", and later as the policeman who attempts to bring some order to the home, and John Miller with his humorous interpretation of the fawning, and later sputtering, mayor of the community and next door neighbour.

The director of this production was Heather Scully.

Others in the crew included stage manager Debra Dart, assistant stage

manager Irene Lubowitz, lighting Curtis Eastmure, set Rick Vaughan, John Lubowitz, Paul Thompson and Glen Scully, wardrobe Leona Carter, publicity

and house manager Chris Lynd, tickets Dale McConnell, props and special effects Gailon Valleau and refreshments Betty Mark.

It wasn't the funniest play the Little Theatre group has mounted, nor the best executed, but, as always, it provided an entertaining night out.

Members of the Highlands Little Theatre cast for the fall production "Never too Late" included, seated, Eleanor Cooper and Don Lethbridge, standing, John Miller, Shelley van Noon, Glen Carter, Elaine Schmid and Charlie Smith.

Author explains book

by Stan Hill

Guy Scott, author of the recently published book "History of Kinmount, a Community on the Fringe" gave a very exciting talk to an audience at the public meeting of the Minden County Town Museum Committee.

Guy demonstrated how he had made his book attractive, readable and authentic by using a variety of maps, charts, documents, pictures, lists of settlers, original poetry and helpful references. He then proceeded to give his audience an impromptu history lesson complete with a demonstration chart showing the six eras of history which affected our local area. His audience was completely with him

and freely interjected comments and questions. As Bob Harrington put it, "This is the way history should be taught."

Verne Graham added helpful comments about the use of archives in research. John Hulbig, about early historical sites, Dick and Laura Kirkwood about early residents of the area while Stan Hill bemoaned the loss of the old cracker barrels in the local stores where community residents shared the news. This was the first opportunity Bill Scott, M.P. had to publicly observe his son Guy share his history talents with a community and he proudly remembered his son's flair for history and the

information they had shared about their home community of Kinmount.

Another highlight of the evening was the presentation by Wyn Newbery of information concerning Indian artifacts from the Boshkung Lake area. Through consultation with an expert from the Toronto Museum she found that the pottery goes back to 500 B.C. and it is believed that one or two of the arrowheads date as early as 2000 B.C.

The evening closed with refreshments and the perusal of pre-publication pictures from Guy's book, historic pictures and artifacts, recently acquired by the museum and books on local history.

Grant will help with dust control

Municipal Affairs Minister John Eakins, MPP for Victoria - Haliburton, has announced \$9,000 in supplementary funds for the Municipality of Anson, Hindon and Minden.

Speaking on behalf of Ed Fulton, Minister of Transportation, Eakins said "these funds represent a significant contribution to the transportation system in Anson, Hindon and Minden. These funds are in addition to the grants normally given to the township by the Ontario government."

"The Government of Ontario is committed to roads and highways as generators of economic

growth and as links for families and emergency services. This additional funding reinforces that commitment," Eakins said.

The supplementary grant represents the

province's contribution toward the dust suppressant project on the Bobcaygeon Road and will be received by the municipality on the project's completion.

SALE EXTENDED to DEC. 3, '88. THIS IS YOUR LAST CHANCE TO OWN THIS SPECIAL DEEP CLEANING BEAM PACKAGE!

Beam presents

The Gold Award Built-in Vacuum Cleaning Package

- Powerful 3-inlet Built-in Vacuum Kit
- Clean-and-groom electric powerhead with beater bars
- 30' electric hose
- 8-piece attachment set
- Beam "Power-out" carpet stain remover

"MONEY BACK GUARANTEE"

Buy a Christmas Gift that is going to last! Since foolish spending is a thing of the past!

Enjoy it now at only ~~(\$670 after Nov 12th for the same items bought individually)~~ **\$499.**

Now, from the Gold Medal winner of the 1987 Canada Awards for Business Excellence, comes a top Deep-Cleaning Built-in Vacuum package for homeowners!

For one low price of \$499, you get Beam's newest 3-inlet built-in vacuum kit, with deep cleaning power unit #167. You also get Beam's popular electric powerhead, that deep cleans and grooms your carpets. You also get an electric hose so you don't have to fool around with electric cords, plus an 8-piece attachment set that makes housewide cleaning a breeze, on floors, carpets, upholstery or drapes. And finally you also get - for the same price - a bottle of Beam carpet stain remover, that powers out stains and wins rave reviews from anyone who has tried it. It's a 5-in-1 money-saving offer. But you must act soon.

Golden savings from the Gold Award Winners, but hurry, after November 12, you'll pay \$171 more.

Stanhope department is tops

The Stanhope Township Fire Department has taken first place in the 1988 Forest Fire Prevention Plan competition and takes the \$500 prize to be awarded by the Ontario Forestry Association.

The competition, which was run in a test area in Parry Sound, Bracebridge and Minden areas saw the volunteer departments in

Gooderham take second prize of \$300. Humphrey Township Fire Department took third prize.

In announcing the winners, the Chairman of the association's Forest Fire Education Committee congratulated the winners and welcomed the increased attention to forest fire prevention resulting from the com-

petition.

Ministry of Natural Resources staff assisted in this project. Emphasis was placed upon the prevention of fires caused by recreationists and brush burners. Quantities of fire prevention posters, pamphlets, instructional cards and buttons were provided by the departments for their use in their

prevention plans.

Letters were sent to reeves and mayors in the test area in April advising that their fire chiefs were being invited to take part in the competition. Chiefs received an entry form due at OFA by May 31. Upon return of the entry form the participating department received a kit including competition guidelines, a sample plan outline, suggestions for fire prevention activities and materials to use in their program. Draft plans were due by June 30 and evaluations of the plans were conducted during the summer.

Senior league

Hello Readers:

Looks more like winter. We welcome another new resident, Cora Upton.

We were pleased to have Mr. and Mrs. Murray Davis back to play and sing for us. We really enjoyed them. Last night we had Mr. Hutchins with his violin, Doris Robertson on the piano and Bill Moore played a few tunes. It was really enjoyed by all present.

Winnie Barnum had a call from her grandson who is stationed with the OPP at Blue Mountain.

Jean and George Hewitt called in on Thursday for a chat and on Saturday, Derek Hewitt from Burlington called to see me. Mr. and Mrs. Truman Wright called on Dora Dawson, Lily Hogg and some others.

Our sympathy is extended to Mrs. Stinson and family on the loss of Mrs. Stinson and to Mrs. Gladys Kirkpatrick on the loss of her daughter Mrs. Thelma Gibb.

Gertie McKay and Ada Turrall attended the luncheon at the Legion on Tuesday and in the

afternoon played cards. A pleasant outing. Guests on Wednesday for Cora Upton were Fern Greer, Dorothy Bethune, and Mr. and Mrs. Jim Upton.

Our afternoon tea party was brought in by the UCW of Minden.

Sorry to report Dora Dawson is on the sick list. We sure hope she will soon be well. Isabel Gibbs was one of her visitors on Monday.

All for this week. "Kindness can become its own motive, we are made kind by being kind."

Lisa places twelfth in eastern Ontario

skate every day plus they get practice ice either early in the morning or late at night.

Lisa placed eighth in the figure final and twelfth in the freestyle final for a twelfth place finish overall. Making finals is a real accom-

plishment and one Lisa should be very proud of. Lisa is the first Minden skater to compete at this level but there are several who will follow.

Lisa has trained many hours in preparation for this event. She is coached in Minden by Jane Symons and travels to Uxbridge on Wednes-

days where she is coached by Mike Sanderson and Hilary Simpson.

Congratulations to Lisa for a job well done. With such a successful skating year already, you can watch for more happenings with the Minden Skating Club, from all our skaters.

MINDEN

Who says a woman's work is never done? At the Minden Curling Club it's often done by the men. During last week's Shovel into Winter Ladies Bonspiel Bill Harrison, David Camelon and Bill Dillon were just a few people helping out in the kitchen. Club members are encouraged to volunteer their assistance in any way during bonspiels.

Many take part in Kinmount service

The November 11 Remembrance Day Service in Kinmount was very well attended again this year. A number of local dignitaries were at the service led by the Kinmount Legion, including MP Bill Scott and councillors from Somerville Township and Galway Cavendish. The students from Kinmount Public School were again

involved in the service.

In the afternoon of November 11, the Legion Colour Party travelled to Gooderham to participate in the Remembrance Day service there. This was also well attended, and local dignitaries were on hand. The students from the elementary school laid a home-made wreath which was very much appreciated.

On Sunday, November

14, a special service was held at the Baptist Church in conjunction with the Legion. The service, which is held at a different church each year, was well attended.

J.D. McMahon, chairman of the poppy campaign, said this year's campaign was very well received. He thanks everyone who donated for making this campaign another success.

will always cherish the memory of watching the students of Archie Stouffer Elementary School conduct their own service at the Cairn.

As well, there was the visit of the Grade Six class to examine documents and memorabilia, prior to Remembrance Day. Their behavior at the branch was exemplary.

This is what its all about, Comrades -- helping our young think about those who sacrificed on their behalf. President Samarillo pleaded with the students to always remember what Remembrance Day means. Our major Remembrance Service, with many of our neighbouring Zone Branches present, had to

wreath laying properly followed.

The Poppy Committee thanks everyone who both assisted and donated. Regards to Harry Pye of the Rockcliffe Snack Bar for donoughts to our volunteers during Poppy Week.

Our shy social convener advised that our kitchen crew is more than pleased to report our Legionaire Steak Dinner Night of October 29 was a great success. Special mention to Hugh McIntyre (Mac) for cooking the juicy steaks. The house was again full for our spaghetti dinner on November 18.

On December 7, our next general meeting will be a combined affair. Consider it out Christmas

Wednesday, December 7.

Sports Chairman Eric Lewis, with Ways and Means Chairman Ron Maddock, both personally laboured extremely hard to present the Branch with a very professional snooker and darts room. It is now up to us, the membership, to get the darts and snooker tournaments rolling. In order to do this, Comrade Eric needs volunteers for Sports Committee work.

Non-stop Property Chairman (second vice president) David McAdam is always at work at the Branch, keeping the building in the best shape possible.

Masks are available

Once again this year, The Lung Association has cold weather masks available. This mask provides breathing comfort during outdoor activities, particularly for people who experience discomfort from inhaling cold, dry air. The mask warms and moistens incoming cold air, making it easier to breathe. For a donation of \$2.00, you will receive 3 masks, to help you through the winter months ahead. The masks are available through The Lung Association office, 12 King Street, Lindsay or telephone 324-6497.

Geography lesson opens Institute meeting

The November 23 meeting of Minden Women's Institute at the Common Room began with a geography lesson. Names from an atlas were given out and the nineteen members located these on the map. By elimination Jean Cox tied with Irene Moore, both receiving little gifts. The meeting then came to order in the usual way. The president Mrs. C. Lacey thanked all the ladies for their support at the Fashion Show.

The Roll Call was an interesting one as all the

ladies told a bit of history of where they were born and had lived. A show of appreciation was given to Mary Cox for arranging the Fashion Show lunch and to Annie Kernohan for a successful bus trip.

We had a letter from County Town Museum thanking us for the use of pictures from the Tweedsmuir histories. We are to bring articles to the next meeting for the 4-Counties Goodwill Christmas Baskets. Collections were taken for Pennies for Friendship and the Card

Collection and Mrs. Moore had reported sending 17 cards since the last meeting. For our Gift

exchange at the next meeting the value is to be three dollars. It was decided to donate money earned at the Fashion Show to Rotary Minden Hospital Fund. Mrs. C. Wilson then gave a full report from the area convention and a few new items and showed the new Cook Book also some new expenses for District and Area Fee sheets.

An amusing verse, 'My Model T' was read by Mrs. Sears. The meeting then adjourned and all enjoyed

a cup of tea and snacks. The next meeting will be December 13 at the United Church Hall at 2 p.m. and

roll call is your Christmas choice and all ladies welcome. Jeanne Sears, P.R.O.

The music playing at the PineStone Inn last Thursday was 'A Bridge over Troubled Waters' as the new skybridge connecting the two main buildings was set into place. Eventually the bridge will be enclosed with glass making a comfortable walkway between the two buildings in all kinds of weather. The bridge was built locally by Hans Walter of North Steel in Ingoldsby. There was a special ribbon cutting and launching complete with champagne.

Campaign receives generous support

The annual Christmas Seal Campaign began on November 1 and The Lung Association reports that returns are coming in steadily. Residents of Victoria and Haliburton Counties are responding generously to this annual appeal for funds. Returns have totalled close to \$17,000 and members of the Association are pleased with the response. This appeal has a long way to go however, as this year's goal for Victoria and Haliburton Counties is \$32,000.

The Lung Association urges everyone to return the green envelope with your donation, today. And use those Christmas Seals on your holiday mail. Remember, lungs are for life.

COUNTY OF HALIBURTON ROADS DEPARTMENT

SNOW REMOVAL

The Highway Traffic Act RSO 1980, C198 - S147, Revised 1982 states "No person shall park or stand a vehicle on a highway to interfere with the clearing of snow". A constable may have the vehicle removed from the roadway and stored at the owners' expense.

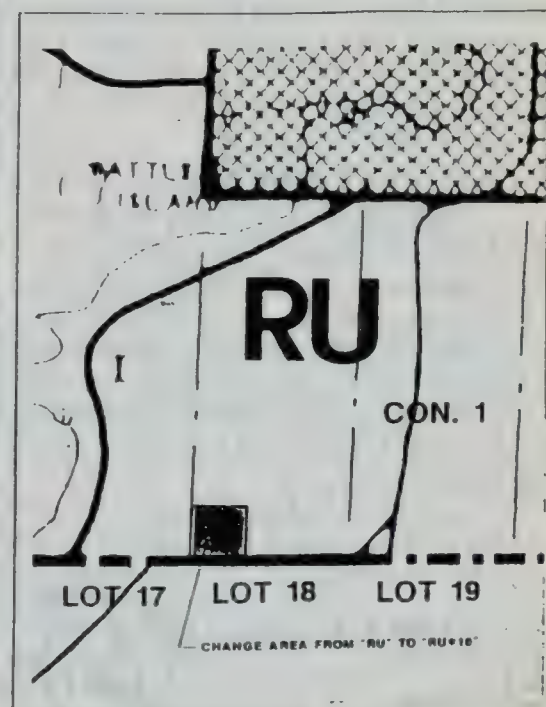

Section 157 states "No person shall deposit snow or ice on a roadway without permission in writing from the road authority responsible for maintenance of the road." The penalty on conviction is a fine of not more than \$50.00.

The co-operation of all motorists in these matters would be appreciated for efficient winter maintenance of County Roads and the safety of others.

SCHEDULE 'A'

Juncos: sociable winter visitors

by Marion Strebig
Federation of Ontario
Naturalists

Thanksgiving weekend I was 50 km south of Algonquin Park. On the Sunday, a still, bright day, birds were moving in loose flocks. Large flocks of Yellow-rumped Warblers worked through the trees, and sparrows were everywhere. As I walked along the road, White-throated Sparrows whirled up from the weeds and low bushes. But the commonest sparrow was a neat little grey and white bird which flashed white outer tail feathers as it flew. The white tail flashes and its grey hood and breast, sharply set off by its white belly, clearly identified it as a Dark-eyed Junco.

Unlike the Whitethroats which prefer to lurk in the underbrush, kicking and scratching to unearth minute seeds, the juncos often forage in the open. Sometimes they are so intent on their search for seeds that they seem oblivious to human presence. As I walked, they kept just ahead of me, settling again in a rut in the road. In late August or early September when I have been sitting by the lake reading, a flock of juncos, including young of

the year, has worked its way almost to my feet.

This apparent tameness makes them appealing prey for domestic cats. A black female cat, which condescended to share my life for nearly 20 years, was tireless in stalking them. Crouched in the shadow of a cedar hedge, quite still, she would wait, sometimes for hours, until some luckless young junco hopped within range. Then swift and ferocious as one of her wild cousins she would pounce. I witnessed very few of the actual captures. Usually the evidence was circumstantial - a few pearl-grey feathers scattered near the hedge.

I did try to halt the slaughter. She had a collar with a whole string of bells, and a bright orange tape which she always wore at a rakish angle. Finally I resorted to restricting her outings in the early morning and evening when the birds were feeding.

The Dark-eyed Junco was formerly separated into 4 species of whom the Slate-coloured Junco was one. Now all 4 are lumped under the one name. The Dark-eyed Junco is the most cold hardy of all the sparrows and from now on will be a common visitor to bird feeders. Many people

know it under the name snowbird. Like chickadees, juncos will appear on the coldest day of winter apparently indifferent to the weather. When the snow is deep and the wind is sharp, often a flock of juncos foraging for microscopic seeds on the snow is apparently the only living thing in the landscape.

In late March or early April they will be on the move to their nesting grounds. Before they leave you may be treated to their musical song. For a long time I was unaware that they made any noise except the companionable little sounds they keep up as a flock when they are feeding. One warm day in March, I was walking along the edge of a swamp bordered by pussy willow and red osier dogwood. From the tangle came a sweet musical trill repeated over and over. I was at a loss to identify the singer until I saw its grey coat and white tail flashes.

By April juncos will be on their nesting territory which ranges from the southern edge of the Canadian Shield north to the shores of Hudson's Bay. Once the junco bred commonly in southern Ontario, but widespread deforestation in Southern Ontario has made it scarce and local as a nester. The *Atlas of Breeding Birds of Ontario* notes that forestry practices have also affected its northern habitat. Since it is not a bird of the deep woods, it may have bene-

fitted in some areas from logging. However, clear-cutting practices destroy its habitat.

Judging by the movement I saw this weekend, anyone with a birdfeeder will soon have some juncos as regular visitors. Like the other regular winter

visitors, chickadees and nuthatches, these hardy little birds add colour and life to our winter landscape. Because their arrival is a sign of winter, Robert Bateman's choice of three juncos in the snow in front of a woodpile as his illustration for the Feder-

ation of Ontario Naturalists' Christmas cards, seems appropriate. If you would like more information about these Christmas cards, call the FON at (416) 444-8419, or write to me at the FON, 355 Lesmill Drive, Don Mills, M3B 2W8.

Fair prepares for 125th

by Joan Bunn

The Haliburton County Fair is over for another year, and the members of the Minden Agricultural Society are settling down to a long winter of planning.

For 124 years the fair has been going and growing. The 1989 Haliburton County Fair is an Anniversary. We would like to celebrate our "125th Haliburton County Fair" with a bang. To do this we need your help, your suggestions, and the manpower to

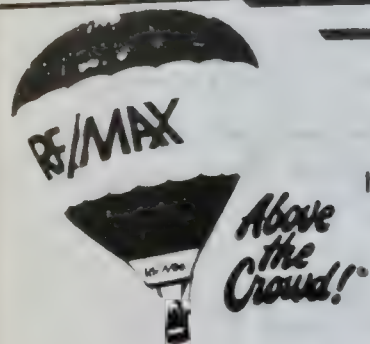

put it all together. It takes a lot of planning, and a lot of hard work to make the fair a success.

Tell us what you liked about the fair, what you would like to see more of. Give us a chance to make our 125th Haliburton County Fair a special weekend to remember and be proud of.

Come join in the planning, be a part of the 125th Haliburton County Fair. Call our President Mary-Jane Irwin 286-2658 or work 286-1260. We meet the second Tuesday

in each month. We need your ideas and manpower. We are a small group doing

a big job. Help us if you can to make the 125th Haliburton County Fair a success.

HHSS drama club ready for Thursday

by the HHSS Drama Club

It's that season again. The HHSS Drama Club, as well as other talented students, have been working hard for almost a month now on another fine evening of amateur talent. And, as last year, they have an outstanding lineup planned.

Music is a very popular thing at our school, and as a result, the Club has signed up a lot of musical acts. A few of the performers will be Dianne Garbutt, Laurie Smith, Vicky Beach and our own Mr. Walter Tose (and company?). The "Beach Boys" (or thereabouts!) will be performing their new hit song, "Kokomo", and the new duo of Jan Haedicke and Eli Edwards will give us a taste of their work - music that they write and perform themselves! Indeed, the Hal High musical community is well represented, but it isn't all music!

You may know of some high school students who have participated in Sun-ship Earth this year. This is a program, run by the Hamilton YMCA, in which elementary school students are introduced to the natural world - and their place in it - be selected and trained Grade 11, 12 and 13 Biology students who act as crew counsellors. Well, some of these counsellors have gotten together and are going to put on a short skit and song, to share a few of their experiences at the "Sun-ship Study Station", otherwise known as Camp Wanakita.

After the intermission, they will be presenting a one-act play, starring Heather Donaldson and Mrs. Ann Varty. It's called "Babel Rap", and it's a comedy involving two workers constructing the famed Tower of Babel. As they "work", they begin to question the actual point behind building the Tower - and discover some rather

'thunderous' conclusions. So stay for the second half of the gala; it'll be well worth your while!

As with any gala, it's the added touches that make it a royal experience. We have requested the presence of two very royal people to emcee our production, if they can fly in on time. And, as always, the club will have goodies galore to snack on during intermission.

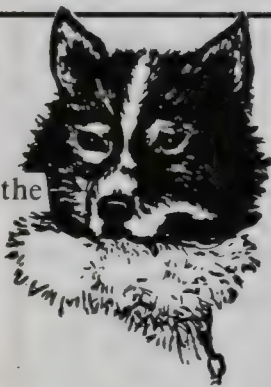

The show starts at 8 p.m. sharp in the Girl's Gym at HHSS on Thursday, December 1, with admission being \$2 for adults and \$1 for students. Tickets will only be available at the door, and proceeds will go to help the Drama Club meet its financial needs.

And that's all the information you need to go out and enjoy a gala evening of talent - and support the Drama Club - at Hal High!

IN MEMORIAM

BURK: Cecil. In loving memory of a dear father and grandfather who passed away November 27, 1987.

Forgive us if we should weep
For one we loved and longed to keep
These words are written with sad regret
From the hearts of a family who will never forget.

Always remembered by Ron, Anne, Jack, Craig, Tim.

IN MEMORIAM

BURK: In loving memory of my dear husband, Cecil, who passed away November 27, 1987.

November is here again so dark and so drear
The month I parted with you dear
I miss your caring, cheerful, loving ways
You will live in my heart forever and a day
The emptiness ever lingers
And the tears do quickly flow
I miss you terribly and will always love you so.

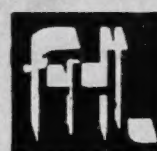

His wife, Jean.

IN MEMORIAM

BURK: Cecil. In loving memory of our dear father, grandfather and great grandfather who passed away November 27, 1987.

There is no parting from the one we loved,
No distance can divide for each day in memory gardens.
We all walk side by side
Wherever life may take us
Whatever we may do
The memories of the years we shared
Still keep us close to you.

Lovingly remembered and sadly missed by Barbara, Doug, Mike, Deb, Jeff, Leanne, Greg, Debbie, Lorraine, Butch and families.
